Wednesday, April 17

Flats Fishing in Biscayne Bay (6:30 AM* – 11:00 AM)

Our flats fishing boat captains will take you out on a great expedition – and offer their expert advice as well! Popular along the Florida Keys, flats fishing involves no complicated equipment or special skills. The Biscayne Bay flats provide the perfect habitat for not only trophy bonefish, but also permit, tarpon, snook, redfish, snapper and more. With an endless number of flats, and beautiful water clarity and quality, Biscayne Bay is a fly fishing and light tackle fishing paradise! **Box breakfast will be offered.*

Thursday, April 18

Golf at Miami Beach (12:15 PM* – 6:00 PM)

Join us for a fun outing at historic Miami Beach Golf Club! World-renowned architect Arthur Hills created this masterfully designed championship layout, nestled between the Atlantic Ocean and Biscayne Bay. Several spectacular and strategically placed lakes are featured on this beautifully-restored course. Its well-balanced design challenges the accomplished golfer while complimenting the amateur. **Box lunch will be offered.*
